

KRISTINA ZIMBAKOVA

Kristina Zimbakova (1975) is a Macedonian painter, creating symbolic and figurative mixed-media paintings. Her art practice is interdisciplinary: poetry references along with fungi and lichens as media are major features of her work. The fungi originate from habitats from all over the world, obtained from dry collections or during personal forays in collaboration with bio-scientists. She also creates handmade fungal paper artworks. Recent solo shows: Aristotle University of Thessaloniki, Greece, 2022; outdoors at Razklon Gallery, Rhodope Mts, Bulgaria (2020); outdoors at Belasica Mt peak, Macedonia (1,740 m alt) (2019); Belfast School of Art, N. Ireland (2017);
